

New User Energizer Training Energizer

IRBNet provides the research community with an unmatched set of secure, web-based collaboration tools to support the design, management, review and oversight of research involving human subjects, animal models, recombinant DNA, and more.

This Energizer covers how to register an account in IRBNet and manage your User Profile. It will illustrate how to:

- Create and activate your account in IRBNet
- Manage your affiliations from your User Profile

New User Registration

To begin the registration process, go to www.irbnet.org and click the New User Registration link.

The screenshot shows the IRBNet website interface. At the top left is the IRBNet logo and the tagline "Innovative Solutions for Compliance and Research Management". To the right is a login section with fields for "Username" and "Password" and a "Login" button. Below the login fields are two links: "New User Registration" and "Forgot Your Password?". Both links are circled in red. Below the navigation bar, there are several content blocks including "Comprehensive Solutions", "The Industry's Most Complete Solution", "Flexible, Intuitive and Easy to Use", and "Secure, Reliable and Cost-Effective". A testimonial from Bruce Day, Director of Research Integrity at Marshall University, is also visible. Two yellow callout boxes with red borders provide instructions: one points to the "New User Registration" link and the other points to the "Forgot Your Password?" link.

Training & Credentials

IRBNet allows you to track and share your training records, certifications, resumes and other documents. Documents added to your profile, your training and credentials can be easily linked to your projects from the IRBNet interface. Documents added by your project teams and can be quickly accessed and tracked by the boards that review your applications. This permit you to directly submit your training and credentials without requiring you to link these documents to your profile.

There are currently no documents in your profile.
